
USELESS GADGET...

"Useless gadget,"
"it should be right up my alley."

don't you read
the newspapers or watch
television or listen to the radio?
No. I prefer classical music
It is soothing to the
creative spirit.

Secrecy takes on

a life of its own with

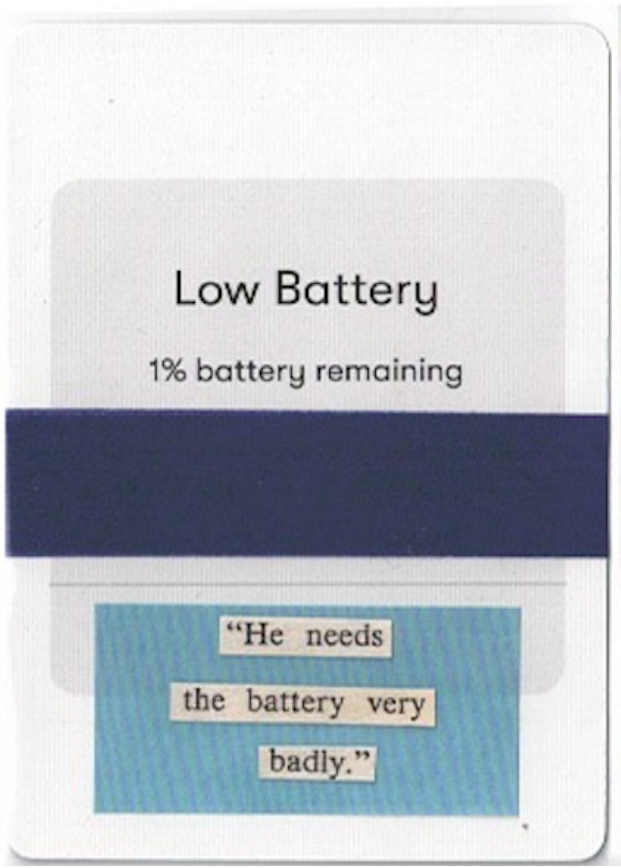
long

telephone

conversations

and

gossip



Low Battery
1% battery remaining
"He needs
the battery very
badly."

The screen lit up

she

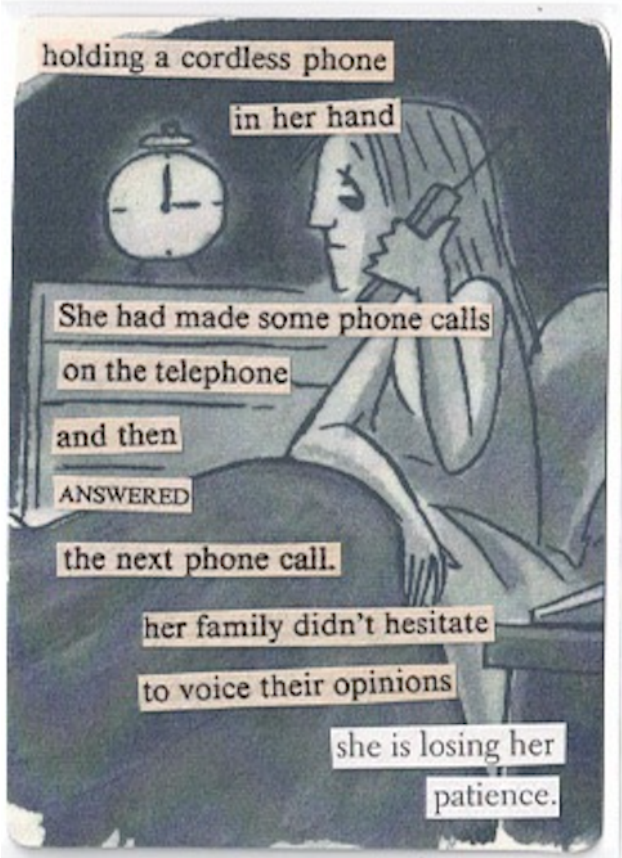
took the phone,

said hello,

and then listened

"I don't want to talk

Good-bye," she said



holding a cordless phone
in her hand
She had made some phone calls
on the telephone
and then
ANSWERED
the next phone call.
her family didn't hesitate
to voice their opinions
she is losing her
patience.

stupid computer chip

took the people

They seem detached,

They ignore the existence of facts,

they have either no memories or gaps in their memories.

They are extremely busy in their own worlds.

remember to touch
grass
